

## Data

The data about the affordable rental housing in Chicago are obtained from:

- <https://data.cityofchicago.org/Community-Economic-Development/Affordable-Rental-Housing-Developments/s6ha-ppgi>
- <https://www.rentcafe.com/average-rent-market-trends/us/il/chicago/>
- [https://www.chicago.gov/city/en/depts/dcd/supp\\_info/citywide-affordable-rental-housing-aalysis.html](https://www.chicago.gov/city/en/depts/dcd/supp_info/citywide-affordable-rental-housing-aalysis.html)

Latitude and Longitude values are obtained by using the file "Chicago\_Community\_Areas.geojson"

All data related to locations will be obtain by using FourSquare API.
